How you met Jesus

During the time you became a Christian, describe what your life was like. What were your circumstances?

When did you come to faith? Was it a specific moment? If so, describe it, how you felt and what you experienced. If it was over a period of time, identify some key turning points and describe them. If you came to faith as a child, when did it become real to you?

How did Christians in your life help you at this time?

Were there any particular Bible verses or sermons which stood out for you?

How did the Christian faith address the desires and struggles you listed in the previous section?

How has trusting Jesus changed you?

How has knowing Jesus changed you?

If you had to explain to someone why you are a Christian, what would you say?
