

## 11-14 yrs

### God's Good News: finding the right words

#### You will need:

- Bibles
- Flipchart paper and pens
- Laptops/tablets, desktop computers and a colour printer.
- An area to display designs
- A Concordance

1. As a group list all the words you feel that sum up 'God's Good News' .
2. When the list is complete make your own Word Cloud either on large sheets of paper in pairs or threes or design a Wordle online, which incorporates every word on your list. Go to [www.wordle.net](http://www.wordle.net)
3. Make a display of your work and find some appropriate Scripture References that speak clearly of this Good News. (The Wordle below may give some helpful clues if you have a concordance available.)

4. When the work is complete, spend some time in worship together.
