I confirm that I will willingly participate with the Spiritual Direction Programme offered by the Diocese of Truro as part of my membership of the Diocesan List. This will include but not exclusively: safe guarding training, DBS checks where necessary, on-going professional development, networking opportunities, insurance cover, an invitation to an annual 'commissioning'/celebration of those involved in Spiritual Direction ministry in the Diocese/county as a recognition of the valuable service offered.

I confirm that I understand compliance with Diocesan Safeguarding Policy means that directors will work to some limitations around confidentiality ie Both law and sound morals impose a general duty not to pass on information given in the expectation that it will be kept in confidence. However it should be made clear, to any person who might be about to make a disclosure, that where there are issues of safeguarding and / or a serious crime this may not be possible.
