## Safeguarding Sunday: join in on October 27

This is a diocesan wide opportunity to celebrate all that we do to promote the wellbeing of people within our church communities. It is a forum for raising awareness of the most vulnerable in society, and our drive to continue improving our practice to safely meet everyone's needs.

Bring this upcoming event to the attention of your PCC and join in with this important opportunity in your church!

We have tried to make things as easy and engaging as possible by directing you to ready made resources!

Loving God,  
we pray that this church may be a place of welcome,  
security and compassion.  
Keep us watchful yet caring,  
trusting yet ready to question,  
that all who worship here may do so  
in safety and in the knowledge of your love;  
through Jesus Christ our Lord.
