“ I am so lucky to live in this beautiful place. It takes my breath away. In my view that comes at a price - a responsibility upon me to do my best to help protect this precious and fragile environment. This is not a burden; it's a pleasure. That's what Creation Care is about.

The Diocese of Truro's vision for Creation Care invites us all to Cherish Creation, Cut Carbon and Speak Up. It is committed to the Church of England's target of achieving Net Zero carbon emissions in 2030. I am one of three Creation Care Champions with Lugdvan Church. There are now some 69 champions in churches across the diocese and the number is growing. We are ordinary members of our church and local community with a passion to care for the environment and a strong drive to make it happen. It is our job to help our church and congregation – often in small and very practical ways – to care for creation on our own doorstep. I am a great enthusiast of Creation Care. When churches care for the environment, that is very good for the whole work of the church. We can make a real difference, we lead by example, and by speaking up about it we can accelerate change in business and politics too.

Our church takes its environmental responsibility seriously. Safeguarding the integrity of creation is one of the Anglican Church's five Marks of Mission. Creation Care is integral to and at the centre of everything we do – in action, thought or prayer; in public and in private.

Creation Care is gaining momentum in our diocese. We have a Creation Care group which is there to give support and backup to Creation Care Champions, church and school communities. That group's membership includes several Creation Care Champions. This is important because it shows that the diocese recognises that it is the grassroots support and action that will make this flourish. I am delighted to say that I will be co-chairing that group with our brilliant Diocesan Environment Officer, Revd Ben Lillie. I really look forward to that.

When you think about what we see in the world today, the situation is grim in the face of global warming and climate change, with searing temperatures, wildfires, melting polar ice, floods and droughts. The unthinkable is happening. If we continue to warm up the planet as we have been doing the outlook is grim too. Not surprisingly, some people are losing hope or feeling helpless. But there is something very important here that we must engage with; and that is the fact that it's not too late. Each and every one of us can make a difference. What we need is strong faith in the future and faith in our personal strength to make that difference. Prayer can give that strength, and prayer can motivate and support us to take those actions. And to start now. Now.

All of us. Including me. Including you. ”

## SUNDAY 1 OCTOBER HARVEST & CREATION CARE

Generous God, At this harvest time we thank you for all the good things you give us. As we thank you for our food, we remember all those who do not have enough for even one proper meal each day. Lord, Bless all those who suffer because of the greed of others. We pray for the homeless, and those who depend on the charity of others. We pray for the work of the Booth Centre, and local foodbanks, providing food for those in need. Help us to share the harvests of the world more fairly, so everyone can be fed and there will be no more starvation. Lord of the harvest: hear our prayer. Amen

All-encompassing God, you constantly create diversity in the whole of creation, loving each of us in our rich variety. ## SUNDAY 22 OCTOBER END OF CHALLENGE POVERTY WEEK

Christ Jesus, born in the poverty of a stable, we rejoice that you walked with those who were poor and marginalised of this earth and challenged the systems of the day. Through your earthly example of sharing you gave us a clear example of solidarity with the hungry. As you shared yourself in the breaking of the bread and called all to your table, give each of us the heart to be a part of the feeding and healing of this unequal world.

Nourish each one of us so that we can find the resolve, to work with joy to serve your people. Open our eyes and hearts to recognise you in the faces of the poor. Increase our awareness of the structures and systems that need to be changed so that we may all fairly break bread together. God of transformation, hear our prayer. Amen.

### PRAYER FOR INTERNATIONAL DAY FOR THE ELIMINATION OF VIOLENCE AGAINST WOMEN

Lord Jesus, You always noticed and responded to those on the margins, especially the nameless women. Help us to always notice and respond to those who experience violence and abuse at the hands of others. May we never turn away from someone needing our help and protection. Give us hearts as compassionate and loving as your own, and help us to speak out courageously against all forms of discrimination and oppression, wherever we may find it, but especially in your Church. We pray for increasing awareness throughout the world, of the issue of violence against women, and on this International Day for the Elimination of Violence Against Women, we pray that men and women everywhere will respect each other, care for each other and stand together in your love. ## SUNDAY 10 DECEMBER A PRAYER FOR OUR LEADERSHIP

Almighty and most merciful God, Who leads us in goodness and truth through all our days, whose only Son lived and died for our sake, and lives with us still and leads us still, who here on earth taught us how to lead our lives and how to teach and lead others in His name. Confirm and strengthen in your wisdom and compassion, those who lead Your Church here in this Diocese, your Bishop, Archdeacons and Deans, your clergy and readers and worship leaders, and those lay women and men, those people of good faith who strive each day to lead Your parishes and deaneries, give them strength, patience and resilience.

Be their light and their guide and bring them peace and comfort in their hours of need, through the Holy Spirit of Your infinite and eternal love and grace.
