

# CALLING FOR THE PROTECTION OF CLIMATE AND NATURE

Will you and  
your church  
answer the  
call to care for  
creation?

*Your will be done on earth as it is in heaven.*

## Support the campaign for the Climate and Nature Bill

The CAN Bill will address the full extent of the climate and nature crisis in line with the most up-to-date science. In May 2024 it had cross party backing of over 150 MPs. Help get it into the next Parliament!

# ASK YOUR CANDIDATES TO BACK THE CAN BILL

Ahead of the General Election we want every prospective parliamentary candidate to support the Climate and Nature Bill. It will make us:

- ✓ Better off - by ensuring our homes are properly insulated, and our energy is cleaner, less expensive and more secure
- ✓ Healthier - by reducing air pollution, and by encouraging healthier, more sustainable food consumption, while supporting our farmers
- ✓ Happier - by protecting our green spaces and the wildlife that depends on them, ensuring everyone has access to nature
- ✓ More resilient - by reducing the threats from extreme weather, such as flooding, erosion, and crop failure

The LORD God took the man and put him in the Garden of Eden to work it and take care of it.

GEN 2:15

LET'S CALL FOR THE  
LEGISLATION WE NEED TO
