Summer 2024

Helping Children & Young People FLOURISH

At the recent Deanery Learning and Sharing Event our focus of the day was children & young people. It was wonderful to gather such a range of people from all over the diocese. We were greatly encouraged by contributions from Niall Dunne, Nick Freeman, Ben Wood and Erica Payne. But we were particularly excited to share the launch of FLOURISH.

FLOURISH is a project that the Education team and Change & Renewal team have been working on led by schools linked with local churches, enabling them to work together. It was informed by research carried out looking at the schools', children's and young people's work already going on and looking at what can be developed and built upon.

For the 2024/25 Academic year FLOURISH will be piloted in Bishop Bronescombe C of E Primary School, Camborne School and Bodmin College.

DIT Drop In

We are going to start a monthly Zoom Drop in to have a cup of coffee and chat with other DIT members around the diocese. There is a lot of common ground between the ministry and mission of different deaneries. We would like to offer a way for members of deanery implementation teams to digitally connect with each other.

This will take place on the second Thursday of each month at 11am using this link:

Meeting ID: 861 9455 3999

What's Next...

We have our next Deanery Learning and Sharing Event on the September 25th focusing on Buildings & Environment. We will be exploring how we care for our church buildings, adapt their use for mission and ministry and considering their carbon impact alongside wider creation care.

If you have any stories to share or topics you would like to see featured at this day, please do get in contact with Joel.
