Nomination Form

Foundation Governance in a Church of England Schools

We are delighted that you have shown an interest in becoming involved in local level Foundation Governance!

Local Governance can look different but those involved at this level carry out regular skills audits to ensure that they are equipped with the skills and expertise to govern schools effectively. In order to ensure identified skill gaps are filled, please find below a series of questions which will allow us to understand your experience, skills and attributes. Please ensure you remember to think about all the situations in which you may have developed and/or used these skills.

Pecuniary and conflict of interest

Please list any business and pecuniary interests as well as conflicts of interest and connections you may have with the school or board of governors - ie family members employed at the school.

If you are an existing governor and are applying for re-appointment (please remember it is best practice to undertake no more than three terms in succession before at least a one year break, your governance professional will be able to talk to you more about this; NGA recommendation):

What contribution do you feel you made to the governing board during your term of office?

Please give brief details of training courses you have undertaken in the past three years - include governor training, work based training/development/and/or any other development/training activities.

Important Information

Please read the following information carefully and if you feel that you are able and willing to undertake the special responsibilities of a Foundation Governor as outlined below, please sign at the bottom of this page. A representative of the DBE regularly considers all nominations.

As a Foundation Governor, you will share equally with the other members of the Governing Board/Hub many important responsibilities for the management and oversight of the school/s, including for example in maintained schools: management of the school budget; employment of staff; responsibility for maintenance and upkeep of the building and being the Admissions Authority. In MAT's responsibilities linked with the Scheme of Delegation.

Additional to those common responsibilities, Foundation Governors are also charged with a special responsibility. They are appointed to ensure 'that the character of the school as a voluntary (Church of England) school is preserved and developed' found in the education act and articles. This means giving special attention to:

- Arrangements for collective worship (after consultation with the Headteacher) and ensuring that such arrangements are in accordance with the Trust Deed
- The religious education offered by the school ensuring that it follows the guidelines of the Diocese
- Supporting the Headteacher in ensuring the Governing body/hub regularly considers the SIAMS Self Evaluation (Statutory Inspection of Anglican and Methodist Schools, which includes collective worship, religious education, Leadership & Management and Church School Distinctiveness and spiritual and moral development of pupils), this is required under Section 48 of the Education Act, and takes place every five years if the last Inspection was at least good, or after three years if the last judgment was Satisfactory.
- Ensuring that the Diocesan Education Office is informed of the resignation of the Headteacher or Deputy Headteacher.
- The appointment of staff ensuring that all teaching and support staff are made aware of the character and foundation of the school
- Bringing to the attention of the Diocesan Board of Education any matters requiring their attention regarding the school

Induction, support and guidance for Governors are available from the Diocese, in conjunction with the Local Authority/individual MAT's.

I have read the above information and am able and willing to undertaken the responsibilities of a Foundation Governor.
